Dear Sir,

**Dr. Waismann** came to India to help me to start **ANR CENTRE**.

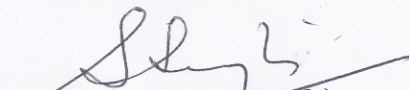

Dr. Waismann is pioneer in field of opiate dependence by developing ANR method and treating 8000 patients in world.

So Dr. Waismann was requested personally by telephone and fax message that India is poor country and involved in Drug dependence of Heroin, Smack, Opium. So he came here, looked in the ICU set required for this addiction treatment. He guided us to treat 10 patients under his guidance and supervision.

He declared that **Free Camp** for 20 poor patients will be held within 6 months.

He accepted to be patron of this Centre and give scientific collaboration for this Centre.

Yours sincerely,

  
(Dr. Sarbjit Singh)
